The Best Of Ed Zern: Fifty Years Of Fishing And Hunting From One Of America's Best-Loved Outdoor Humorists

Synopsis

This rich, full treasury of the best writings of America's finest outdoor humorist includes selections from Ed Zern's previous books, many of his memorable Nash automobile ads, and various short gems--such as his delicious "review" of Lady Chatterley's Lover (found wanting because there is too little practical information on the life of a rural gamekeeper). Also included are a group of major articles and a hearty helping of his very best "Exit Laughing" columns. This delightful collection is sure to appeal to all anglers, hunters, and lovers of the outdoors.

Customer Reviews

I grew up reading monthly Zern articles in hunting/fishing magazines and I love this guys' humor. It was a real BONUS to have a large compilation of nothing BUT Zern! I can always use a little more ED ZERN in my life. Buy the book, you won't be disappointed. -

If you like hunting or fishing, Ed Zern writes humorist columns, all condensed in this one book. His stories are interesting, informative, and funny in content. This is great reading while you relax after a long day.

I rate it as four and a half stars.If one is familiar with Zern's style as a writer, this is not to be missed.It covers all the bases in humor, insight and the humor experience.If you are not familiar with his writing, now is the time to remedy that.One truly leaves , "Exit Laughing".

This book is an absolutely perfect primer for any one unfamiliar with Ed Zern's work. Even though some pieces are quite old, they stand the test of time. These stories are as zany as a Marx Brothers movie.

My husband remembers Ed Zern stories from Field and Stream from over 50 years ago. I hope he enjoys this collection. He may have to use a magnifying glass. The print is painfully small.
