# English/Spanish And Spanish/English Legal Dictionary (English And Spanish Edition)

## **Synopsis**

This Dictionary provides over 135,000 entries and nearly 185,000 equivalents covering all areas of law, plus relevant terms in related spheres of expertise. It is the Dictionary that lawyers, educators, students, translators, and in general those working in both languages in law and associated fields have been trusting since the First Edition was published in 1993. In order to prepare this Fourth Edition, the entire Third Edition was comprehensively revised and updated, plus over 35,000 new terms were added. Because of its straightforward and naturally intuitive format, there are no special rules or indications for using this Dictionary. Users simply look up any desired word or phrase, get the equivalent, and return to whatever was being worked on. The general presentation of the Dictionary is elegant, easy on the eyes, and facilitates finding the desired terms and equivalents with the least time and effort.

## **Customer Reviews**

I bought this dictionary for my son, who is studying in Colombia to become an English-Spanish translator and interpreter. In addition to the cost, it cost over \$60 to send it to Colombia. Below is his comment: The dictionary arrived safe and sound directly to my door which was great as usually I have to go pick up. Unfortunately, it's total junk, and even worse, expensive junk. I had to translate a little contract this morning and I looked up maybe 12-15 terms just to see if they were in there and not one was while it's filled with crap that doesn't belong in a legal dictionary. Please save the receipts and everything as I'm going to give it to Dad or Loren when I see them in Mexico in December. What a bummer, I thought this was going to be a great tool for my test and beyond, but

it's my fault, I picked it.

I received this dictionary as a gift. I had been awaiting its arrival. I have the Kaplan Third Edition from 2008. This updated version is so complete and yet concise. Very easy to use. I use it for business and it is ideal for my bi-lingual contracts and business correspondence. A must for my library.

GREAT dictionary, useful and accurate for what I need and REALLY great publisher. One of the best publishers of English-Spanish legal dictionaries!! :D
