Honestly, at first, I couldn't see how ONE laminated PAGE (front and back) would be enough to sum up a whole course in a manner that would help me on my law school exam....but once I received it in the mail and started looking it over, my mind was changed, completely!! HIGHLY recommend for someone who wants a very concise guide that will help you pick out what's truly important in this subject vs. info that can be left out without causing any point reductions on exams.

BarCharts normally makes great products, but this one is useless. Few cases are discussed, and the sections confusingly tell you a rule, only to tell you a few lines down how it was changed by BAPCA. It's well past BAPCA's 2005 passage, and everyone's textbook has been updated by now. Unfortunately, nobody updated this product.

I used the Fed Income Tax BarCharts, which was extremely helpful for citing statute sections and key cases. However, this BarCharts for Bankruptcy was 50% longer and not nearly as helpful. It might be because of my particular class. I took the course with one of the author's of the widely-used Bankruptcy Law textbook, and we focused much on 1129 cram downs and 363 sales, which I found lacking in this supplement.

Well organized. Has a lot of the main laws. Would've been better if each stated law noted which Â§ it was referring to.

Came quickly, nice review.
