# Simon And Schuster Super Crossword Puzzle Book #13: The Biggest And The Best (Simon And Schuster's Super Crossword Puzzle Books)

## **Synopsis**

A challenging collection of 225 classic crosswords from Americaâ™s premier puzzle series. Here are 225 bigâ™ and toughâ™ crosswords taken from out-of-print books in the famous Simon & Schuster crossword puzzle series. Inside are tons of Sunday Timesâ™ caliber wordplay just waiting to taunt and tantalize you. Originally edited by former New York Times crossword editor Eugene Maleska and his colleague John Samson, every puzzle in this book has been completely revised and updated. Super Crossword Book #13 is the ultimate challenge for the truly fearless crossword aficionado.

## **Customer Reviews**

Simon and Schuster have been in the crossword puzzle book business for quite along time now. I think I have four or five stashed around the house, including this one, as I write this review. For the quality of puzzle versus the price paid, I favor these books. One of the major physical aspects of the book that I enjoy is that you can remove a page without trashing the entire book...this is important to me. Now as to the actually puzzles: Folks, these are not easy...no, no, no....far from it. Some of the clues (well, actually it is more like almost all) are pretty obscure. These puzzles actually cause you to think. Before purchasing this work and the others in the series, you need to keep in mind that these are NOT for the beginner or even in many cases for those falling into the intermediate range! Most of these puzzles are hard! Now crossword puzzle books are a rather personal thing, we each

look for something a bit different...Do I find these puzzles challenging? You bet, each and every one of them. Keep in mind though...I am not all that bright.Have I ever been able to finish one of these things, right to the finish, with no "peeking?" Not by a long shot. I am extremely lucky if I can solve half of each puzzle...Keep in mind though...I am not all that bright.Do I increase my vocabulary by doing these puzzles? Well, not really as that is not my intent in playing them. I do get and am stimulated by new ways of perceiving different words. This for me is a good thing.Are these the only puzzle books I use? No way. While I am not one of those people that demands instant gratification and insist on "winning" each and every time, I do like the satisfaction of completing a puzzle now and then.
