Old Boardhouse: A Glance At Trinidad And Tobago

Synopsis

This revised edition of a valuable social opus that can also be enjoyed outside the rooms of colleges and universities has been fitted with an extended postscript; one totally inspired by the unexpected snap general election of 2010. Old Board House, the revised edition is imperative regarding the understanding of a relatively young Trinidad and Tobago. "The author wishes to remind readers that the ultimate direction of all countries in this world is not determined by petty elections but by those who view themselves as the owners of this planet." The Postscript Chad Modeste is also the author of New Flower and Old Board House, the first edition. The first title was used by students of the Caribbean Civilization class of Dr John Campbell at UWI, St. Augustine campus in the second semester of academic year 2007-2008. Modeste has chosen no other profession.
