Sweeney Todd: The Demon Barber Of Fleet Street

Synopsis

Johnny Depp and Tim Burton join forces again in a big-screen adaptation of Stephen Sondheim's award-winning musical thriller *Sweeney Todd*. Depp stars as the Demon Barber of Fleet Street, joined by Helena Bonham Carter as Mrs. Lovett, Sweeney's amorous accomplice, who creates diabolical meat pies... The cast also includes Alan Rickman, Timothy Spall and Sacha Baron Cohen. Produced in close co-operation with Tim Burton and the production team, this lavish, full colour hardcover official companion volume to the film will include a Foreword by Tim Burton, over 200 photos, concept drawings and production designs, extracts from the screenplay and interviews with the cast and crew.

Customer Reviews

I was prepared to like Mark Salisbury's *SWEENEY TODD: The Demon Barber of Fleet Street*. I like the musical it was based on. I like Depp and Burton and Sondheim. What I wasn't prepared to do was love this book! Johnny Depp and director Tim Burton have teamed up again for this film adaptation of Stephen Sondheim's acclaimed musical thriller "*Sweeney Todd*." Mark Salisbury's book is an in depth, informative chronicle of the making of the movie which opens here in the US this December. Mr. Salisbury's book never gets boring and the author never lectures the reader while sharing this book's story. Salisbury hit all the right notes when he wrote this companion book by layering the backstory of the legend of Sweeney Todd with the present day circumstances that put the players in the right spots at the right time to bring this version of *SWEENEY TODD* to the screen. The well crafted book with 175 glossy, big pages with more than 200 photographs and

illustrations and it is divided into two parts. Salisbury uses pictures and production artwork to tell the "making of" story in Part One, weaving in quotes from producer Richard Zanuck, director Tim Burton and cast members Johnny Depp, Helena Bonham Carter, Alan Rickman as well as crew and other cast members to help the reader grasp the goings on behind the scenes. Salisbury was wise to also add his own first hand experiences while on the SWEENEY TODD set at Pinewood Studios to bring an overview of the different pieces that brought this musical thriller together. The author then has the reader "attend the tale of Sweeney Todd" in Part Two, by adding illustrations, production stills and sketches to text pieces from the script.
