Synopsis

What happens to your estate after you are gone is very much within your control. Estate planning is not only for the wealthy; it is for everyone. It is simply the process of deciding where your assets are to be distributed after your death. For those people who wish to preserve their assets for designated purposes such as family or special charities it becomes necessary to make special advance preparations. To ensure your assets are protected and final wishes are carried out, there are some common actions that should be taken now.
