Garrison Keillor doesn't translate to print. You absolutely must hear his voice to catch his dry-midwestern humor. If you like his work, add this one to your library.

This was a gift for my Uncle who is home bound. I gets tired of watching TV but love the funny soothing stories. We will be buying more.

It is Prairie Home Companion time with Garrison Keillor, what more can be said for the fans out there. Means a good time for all.
